Association Mission

We are committed to protect the rights and interests of legal residents and property owners of the Incorporated Village of Williston Park. We will provide a forum for its members to voice their opinions regarding issues that affect their lives as well as considering the impact on the Village community as a whole. We will work with officials to ensure an open and honest government and to limit and reduce the taxation of the Williston Park residents. We will monitor activities to promote wise and efficient use of taxpayer dollars. We will disseminate information gathered in order to keep residents informed. We will strive to become an integral part of the Village by cooperating with religious, educational, civic, commercial and political organizations to ensure that the integrity of the Village is maintained. We will strive to preserve and contribute to the safety, beautification and general welfare of the community. We will promote community involvement by fostering volunteerism whenever possible. We will conduct its activities in non-partisan, non-sectarian and non-profit manner.

Association Boundaries

The physical boundaries as defined in the records of the Incorporated Village of Williston Park, Nassau County, New York.

Association Membership Requirements

The Association's membership is limited to legal residents, business and property owners located within the boundaries of the Village of Williston Park. A member must be at least 18 years of age. More than one person in a household may become a member.

Each person applying for membership will receive a membership card upon the receipt of a completed membership registration form and payment of the annual dues. Memberships are not transferrable. Members will be entitled to vote in Association elections and will receive periodic correspondence and a copy of the Newsletter (coming soon).

Association Membership Dues

The membership dues for 2010 is \$10.

Association Meetings

General Meetings of the Association will be posted on the website.
